

CENTRE FOR FORENSIC BEHAVIOURAL SCIENCE & JUSTICE STUDIES PUBLIC FORUM 2018

THE RESTORATIVE ACTION PROGRAM: A SCHOOL-BASED, COMMUNITY-DRIVEN INITIATIVE

NEATBY TIMLIN THEATRE, ARTS 241, MON., OCT. 22, 7PM

The Restorative Action Program (RAP) is a 15-year-old community-based restorative justice initiative that is hosted in high schools and sustained through the shared responsibility of multiple partners, other supportive organizations and citizens. RAP works with youth to develop and practice conflict management, relationship management and leadership skills using a restorative justice framework that focuses on prevention, intervention and reconnection.

Research and findings from a 7-year study by the University of Saskatchewan's Centre for Forensic Behavioural Science & Justice Studies will be presented to illustrate the success of the RAP framework. This is a must attend session for educators, policy makers, restorative justice practitioners and community members.

Carolyn Camman

Evaluation Consultant, Centre for Forensic Behavioural Science and Justice Studies

Carolyn Camman (MA) currently works out of Vancouver, BC, as an independent evaluation consultant, and is formerly a Research Officer with the Centre for Forensic Behavioural Science and Justice Studies. They have supported the evaluation of the Restorative Action Program since 2011 and received their MA in Social Psychology at the U of S in 2013.

Winston Blake

Executive Director, Restorative Action Program (RAP)

Winston Blake holds an Advanced Bachelor of Arts Degree from the University of Saskatchewan (1995) and a Masters in Conflict Analysis and Management from Royal Roads University (2015). In addition to his Masters, Winston also has a certificate in Conflict Management from the Alberta Arbitration and Mediation Society (1998) and is a Chartered Mediator with the Alternative Dispute Resolution Institute of Canada (1999).

Dr. Steve Wormith, Moderator

Dr. Wormith, Director of the Centre for Forensic Behavioural Science and Justice Studies, teaches in the Department of Psychology.
